

Temperatures in EventPass

HITS Shows December 2025

Download The App & Sign Up

You will need to have the EventPass App installed to submit your horse temperatures.

Once you have the app installed, you can submit your horses' temperatures.

HITS strongly recommends temperature recording throughout the show.

Adding Temperatures

You can add temperatures for single or multiple horses through the app.

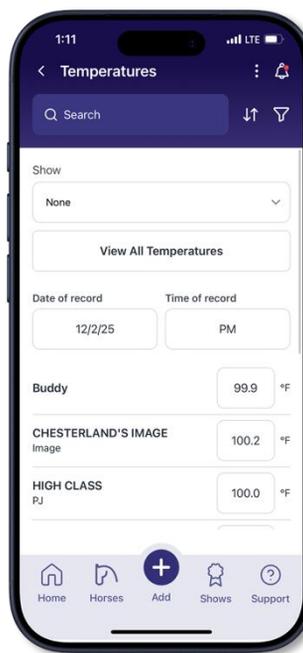

1

On the home screen
Click **"Temperatures"**.

This will take you to
the screen to add all
your temperatures.

Please ensure you have
downloaded the app
before you arrive.

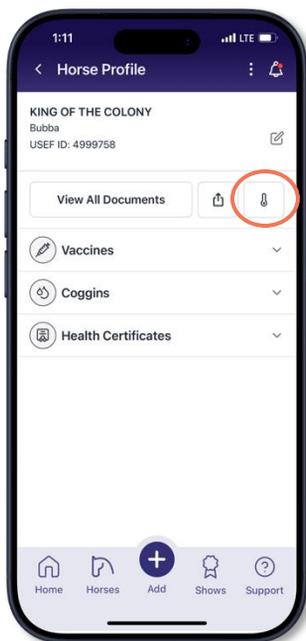

2

Ensure you select the
correct date and time
for the temperature.

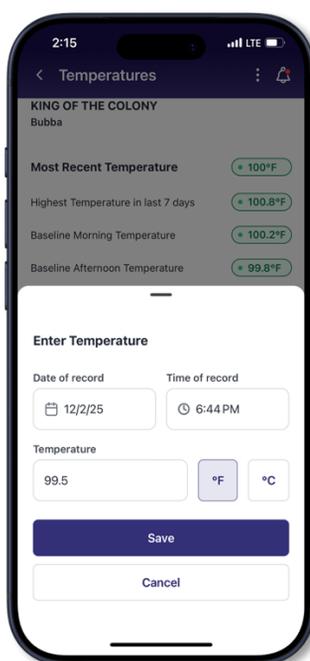

Enter each horse's
temperatures.

These auto-save, you
can exit to the home
screen once complete.

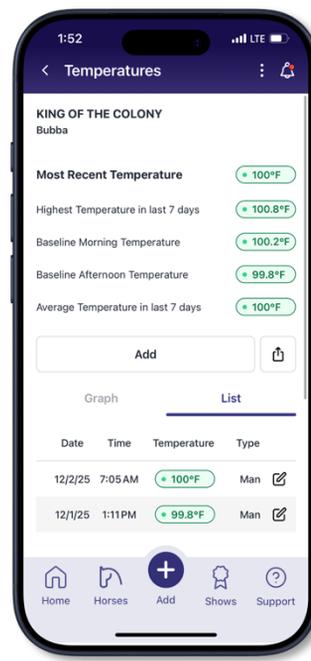

Each temperature will **save automatically** once you log your temperature records.

Or, click on a horse in
your horse list and then
the **temperature icon**.

Add the temperature record

Your horse's profile is updated
